WELCOME

Dear Volunteer:

We're very happy to welcome you as a volunteer at the Hesperia Recreation and Park District. We want you to feel that your association with the District will be a mutually beneficial and pleasant one. The District has established an outstanding reputation for quality programs and community service, in part, because of our volunteers.

This handbook is intended to provide answers to most of the questions you may have about volunteering for the District as well as some background about the District and its programs. If anything is unclear, please discuss the matter with your volunteer coordinator. From time to time volunteer policies may change; we will do our best to keep you informed but ultimately you are responsible for reading and understanding this Volunteer Handbook and any additional volunteer policies.

Again, we thank you for volunteering at the Hesperia Recreation and Park District.

Sincerely,

HESPERIA RECREATION AND PARK DISTRICT

Lindsay D. Woods

VOLUNTEER STATUS

As a volunteer, you are not an employee of the District and do not become one by volunteering. Volunteers are "At Will" and will be scheduled to work as needed. All volunteers must complete a Volunteer Application (see Appendix A). Anyone requesting to volunteer must be pre-approved by Hesperia Recreation and Park District and meet all District volunteer requirements. However, no one will be denied the opportunity to volunteer on the basis of sex (including pregnancy, childbirth, breastfeeding or related medical conditions), race, religion (including religious dress and grooming practices), color, gender (including gender identity and gender expression), national origin (including language use restrictions and possession of a driver's license issued under Vehicle Code section 12801.9), ancestry, physical or mental disability, medical condition, genetic information, marital status, registered domestic partner status, age, sexual orientation, military and veteran status or any other basis protected by federal, state or local law or ordinance or regulation.

APPLICATION AND ACKNOWLEDGEMENT

This Volunteer Handbook (sometimes called the Handbook) applies to all volunteers. Although a few of the provisions overlap with those for employees, that does not change a volunteer's status. This Handbook supersedes all prior handbooks.

Volunteer status may be terminated at any time without notice or cause either by the District or by the volunteer. Nothing in this Handbook or in any document or statement shall change volunteer status to that of any employee. No manager, Volunteer Coordinator, or other District employee has the authority to enter into an agreement for volunteer employment for any specific period of time or to make an agreement for volunteer status other than that set out here.

This Volunteer Handbook has been prepared to provide volunteers with an overview of the Hesperia Recreation and Park District's volunteer policies. The General Manager or his or her designee is responsible for the addition, deletion, interpretation, application, and administration of these policies consistent with applicable laws and regulations. Each volunteer must become familiar with the contents of this manual in order to be informed of the District's policies, understand them, and abide by them.

District policies are intended to comply with all applicable state and federal laws and should be interpreted as such. To the extent any policy is interpreted as inconsistent with applicable law, the legal requirements shall prevail. The District reserves the right to suspend, revise, or revoke any of its policies and procedures at any time, with or without notice.

By becoming a volunteer at the District and signing for receipt of this handbook, you are consenting to and grant the District the right to use your name, voice, signature, photograph, or likeness for any lawful purpose.

The information provided in this Volunteer Handbook is not intended to, does not and will not create a contract of employment.

BY SIGNING BELOW, I ACKNOWLEDGE THAT I HAVE BEEN PROVIDED WITH THE VOLUNTEER HANDBOOK AND THAT IT IS MY RESPONSIBILITY TO READ AND COMPLY WITH ITS PROVISIONS. FURTHERMORE, I ACKNOWLEDGE THAT I UNDERSTAND AND AGREE TO THE ABOVE STATEMENTS.

SECTION 1

A. GENERAL INFORMATION

What is the Hesperia Recreation and Park District?

The Hesperia Recreation and Park District is an independent special district created by the Hesperia area residents to provide recreation facilities and programs for the proper use of leisure time and conservation of the recreational and open space resources of the area. The District is governed by an elected Board of Directors.

Located in San Bernardino County, the Hesperia Recreation and Park District encompasses approximately 100 square miles, primarily within the City of Hesperia, but also including some of the unincorporated areas of Summit Valley and Oak Hills. The District was formed in 1957 at which time the formal operations of park and recreation facilities and programs began.

For a current listing of Hesperia Recreation and Park District Facilities please visit the District's website at www.HesperiaParks.com.

B. RECREATION PROGRAMS

The Hesperia Recreation and Park District's commitment to recreation programming encompasses a broad range of activities designed for a cross section of age groups, interests, and cultural backgrounds. A large portion of our organized programs are offered at the parks, community centers, and schools. Attendance at these facilities is generally high, as people participate in activities such as: youth classes, aquatic programs, special events, youth sports, adult sports, senior citizen events, adult/teen classes, day camp, fishing, and camping programs.

C. MISSION STATEMENT

To make life better and enrich the quality of life for our community by providing a variety of leisure time and recreation activities, parks, and facilities that promote health and wellness, learning, and fun.

D. VISION

To serve our community and be recognized as a quality recreation and park district we must:

- Be financially stable and sustainable.
- Be the leisure time and recreational activities provider of choice in the Victor Valley.
- Distinguish HRPD as a major partner with other agencies and organizations for recreation, park, and open space needs.
- Be an employer of choice.

- Be the best part of our patron's day by demonstrating excellent customer service that exceeds expectations.
- Evolve with emerging opportunities, while maintaining our existing facilities and infrastructure.
- Actively market, promote, inform, and educate our residents about the many benefits of recreation, parks, and open space.

E. GOALS

The following goals will guide the general direction and intent of the Hesperia Recreation and Park District:

- To acquire and preserve land for park and recreation opportunities, facilities and natural open space use.
- To be in concert with other local agencies to work toward preservation of significant ecological, scenic, cultural, and natural resources within the District.
- To accompany the Master Plan with planning for the timely acquisition, design, development, operation, and maintenance of all facilities.
- To keep flexible the location, size, and design of facilities in order that they may be readily adaptable to the changing requirements of the population.
- To foster satisfying activities for all ages and cultural groups, particularly children, youth, and seniors, as well as family participation.
- To review and update the Hesperia Recreation and Park District Master Plan to reflect changing conditions and community needs.

F. VOLUNTEER RESPONSIBILITIES

As a volunteer, you should serve in a capacity that suits your interests and abilities. You should be treated fairly, receive training or orientation, and have the ability to communicate with your volunteer coordinator to ask questions regarding your volunteer duties. The District strives to provide a safe environment. You should report any issues or concerns you may have to your volunteer coordinator. In the event you believe you have been discriminated against on the basis of a protected category, please notify your volunteer coordinator or the District Manager.

You are also expected to show up to all committed volunteer times and perform tasks to the best of your ability. We ask that you represent the Hesperia Recreation and Park District in a positive light and treat staff and the public with respect. You are expected to follow the policies and rules outlined in this Handbook.

SECTION 2

A. HARASSMENT AND ABUSIVE CONDUCT

HARASSMENT, DISCRIMINATION AND RETALIATION PREVENTION

The Hesperia Recreation and Park District is an equal opportunity employer. The District is committed to providing an environment free of harassment, discrimination, retaliation, and disrespectful or other unprofessional conduct based on sex (including pregnancy, childbirth, breastfeeding or related medical conditions), race, religion (including religious dress and grooming practices), color, gender (including gender identity and gender expression), national origin (including language use restrictions and possession of a driver's license issued under Vehicle Code section 12801.9), ancestry, physical or mental disability, medical condition, genetic information, marital status, registered domestic partner status, age, sexual orientation, military and veteran status or any other basis protected by federal, state or local law or ordinance or regulation. It also prohibits discrimination, harassment, disrespectful or unprofessional conduct based on the perception that anyone has any of those characteristics, or is associated with a person who has or is perceived as having any of those characteristics.

In addition, the District prohibits retaliation against individuals who raise complaints of discrimination or harassment or who participate in workplace investigations.

All such conduct violates District policy.

HARASSMENT PREVENTION

The District's policy prohibiting harassment applies to all persons involved in the operation of the District. The District prohibits harassment, disrespectful or unprofessional conduct by any employee or volunteer of the District, including Volunteer Coordinators, managers and co-workers. The District's anti-harassment policy also applies to vendors, customers, independent contractors, unpaid interns, volunteers, persons providing services pursuant to a contract and other persons with whom you come into contact while working.

Prohibited harassment, disrespectful or unprofessional conduct includes, but is not limited to, the following behavior:

- Verbal conduct such as epithets, derogatory jokes or comments, slurs or unwanted sexual advances, invitations, comments, posts or messages;
- Visual displays such as derogatory and/or sexually-oriented posters, photography, cartoons, drawings or gestures;
- Physical conduct including assault, unwanted touching, intentionally blocking normal movement or interfering with work because of sex, race or any other protected basis;
- Threats and demands to submit to sexual requests or sexual advances as a condition of continued employment, or to avoid some other loss and offers of employment benefits in return for sexual favors;
- Retaliation for reporting or threatening to report harassment; and

- Communication via electronic media of any type that includes any conduct that is prohibited by state and/or federal law or by District policy.

Sexual harassment does not need to be motivated by sexual desire to be unlawful or to violate this policy. For example, hostile acts toward a volunteer because of his/her gender can amount to sexual harassment, regardless of whether the treatment is motivated by sexual desire. Prohibited harassment is not just sexual harassment but harassment based on any protected category.

WORKPLACE BULLYING/ ABUSIVE CONDUCT

Abusive conduct: "abusive conduct" means conduct of an employer, employee or volunteer in the workplace, with malice, that a reasonable person would find hostile, offensive, and unrelated to an employer's legitimate business interests. Abusive conduct may include repeated infliction of verbal abuse, such as the use of derogatory remarks, insults, and epithets, verbal or physical conduct that a reasonable person would find threatening, intimidating, or humiliating, or the gratuitous sabotage or undermining of a person's work performance. A single act shall not constitute abusive conduct, unless especially severe and egregious. Such behavior violates District Policy, which clearly states that all staff, volunteers, patrons and participants will be treated with respect.

The purpose of this policy is to communicate to all employees and volunteers, including Volunteer Coordinators, managers, and executives that the District will not tolerate bullying behavior. Employees found in violation of this policy will be disciplined up to and including termination. Any volunteer found in violation of this policy will be subject to appropriate disciplinary action, up to, and including termination of volunteer status and an inability to be accepted as a volunteer at the District in the future.

Bullying may be intentional or unintentional. However, it must be noted that where an allegation of bullying is made, the intention of the alleged bully is irrelevant and will not be given consideration when vetting out discipline. As in sexual harassment, it is the effect of the behavior upon the individual that is important. The District considers the following types of behavior examples of bullying:

- **Verbal bullying:** Slandering, ridiculing or maligning a person or his/her family; persistent name calling that is hurtful, insulting or humiliating; using a person as the butt of jokes; abusive and offensive remarks.
- **Physical bullying:** Pushing, shoving, kicking, poking, tripping, assault or threat of physical assault; damage to a person's work area or property.
- **Gesture bullying:** Nonverbal threatening gestures or glances that convey threatening messages.
- **Exclusion:** Socially or physically excluding or disregarding a person in work-related activities.

All such conduct violates District policy.

NON-DISCRIMINATION

The District is committed to compliance with all applicable laws providing equal employment opportunities. This commitment applies to all persons involved in District operations. The District prohibits unlawful discrimination against any job applicant, employee, volunteer or unpaid intern by any employee or volunteer of the District, including Volunteer Coordinators and coworkers.

ANTI-RETALIATION

The District will not retaliate against you for filing a complaint or participating in any workplace investigation and will not tolerate or permit retaliation by management, employees or co-workers.

COMPLAINT PROCESS

If you believe that you have been the subject of harassment, discrimination, workplace bullying, retaliation or other prohibited conduct, bring your complaint to the Volunteer Coordinator, to the Human Resources Department, or to the General Manager as soon as possible after the incident. You can bring your complaint to any of these individuals. If you need assistance with your complaint, or if you prefer to make a complaint in person, contact the Human Resources Department. Please provide all known details of the incident or incidents, names of individuals involved and names of any witnesses. It would be best to communicate your complaint in writing, but this is not mandatory.

The District encourages all individuals to report any incidents of harassment, discrimination, retaliation or other prohibited conduct forbidden by this policy immediately so that complaints can be quickly and fairly resolved.

You also should be aware that the Federal Equal Employment Opportunity Commission and the California Department of Fair Employment and Housing investigate and prosecute complaints of prohibited harassment, discrimination and retaliation in employment. If you think you have been harassed or discriminated against or that you have been retaliated against for resisting, complaining or participating in an investigation, you may file a complaint with the appropriate agency. The nearest office can be found by visiting the agency websites at www.dfeh.ca.gov and www.eeoc.gov.

Volunteer Coordinators must refer all complaints involving harassment, discrimination, retaliation or other prohibited conduct to the Human Resources Department or General Manager so the District can try to resolve the complaint.

When the District receives allegations of misconduct, it will immediately undertake a fair, timely, thorough and objective investigation of the allegations in accordance with all legal requirements. The District will reach reasonable conclusions based on the evidence collected.

The District will maintain confidentiality to the extent possible. However, the District cannot promise complete confidentiality. The employer's duty to investigate and take

corrective action may require the disclosure of information to individuals with a need to know.

Complaints will be:

- Responded to in a timely manner
- Kept confidential to the extent possible
- Investigated impartially by qualified personnel in a timely manner
- Documented and tracked for reasonable progress
- Given appropriate options for remedial action and resolution
- Closed in a timely manner

If the District determines that harassment, discrimination, workplace bullying, retaliation or other prohibited conduct has occurred, appropriate and effective corrective and remedial action will be taken in accordance with the circumstances involved. The District also will take appropriate action to deter future misconduct. Any volunteer determined by the District to be responsible for harassment, discrimination, workplace bullying, retaliation or other prohibited conduct will be subject to appropriate disciplinary action, up to, and including termination of volunteer status and an inability to be accepted as a volunteer at the District in the future.

B. REASONABLE ACCOMMODATION

In the event you have a disability that affects your ability to perform your volunteer duties, please contact the volunteer coordinator to discuss possible accommodation under state and federal law and the District's policy.

C. DRUG FREE WORKPLACE: DRUGS, NARCOTICS, AND ALCOHOL

DRUG FREE WORKPLACE POLICY

It is the policy of the District to maintain a workplace that is free from the effects of drugs, alcohol, or other controlled substances.

The sale, possession, purchase, or transfer of drugs, alcohol, or other controlled substances by any District volunteer on District property or work sites, in District vehicles, or while on District business is prohibited.

Volunteers are prohibited from being under the influence of drugs, alcohol, and/or other controlled substances during their hours at the District. Being under the influence of drugs, alcohol, and/or other controlled substances means being impaired in any way from fully performing volunteer duties.

Any volunteer who violates this policy will be removed from his or her volunteer status and will not be allowed to volunteer again.

SECTION 3

VOLUNTEER STANDARDS

This section provides an overview of requirements for the conduct of District volunteers. It does not and cannot address every possible situation and does not modify a volunteer's status.

A. GENERAL STANDARDS OF CONDUCT & BEHAVIOR

Whenever people gather to achieve goals, some rules of conduct are needed to help everyone work together efficiently, effectively, and harmoniously. By accepting a volunteer position with us, you have a responsibility to the District and to fellow volunteers to adhere to certain rules of behavior and the District's Code of Conduct (see Appendix C). When each person is aware that they can fully depend upon fellow volunteers to consistently follow the rules of conduct, then our organization will be a better place to volunteer for everyone.

- Volunteers must not give or offer to give gratuities to anyone in an effort to influence a person's judgment of the volunteer's performance.
- Volunteers must not accept gratuities because that could give the appearance of affecting the volunteer's judgment in carrying out District business.

B. PERSONAL APPEARANCE, DRESS CODE, AND UNIFORMS

To add a positive image of the District and for the safety of the volunteer, the establishment of a specified standard of dress is required. A volunteer's dress and personal grooming has a direct impact on how the District is perceived by the public. This is very important as youth who utilize the facility may look to you as a role model. Volunteers shall comply with the dress code for their position and wear clothing appropriate for the nature of the District's business and the type of work performed.

All volunteers must adhere to the following dress code:

Volunteers are expected to be modestly and suitably attired and groomed during their volunteer service hours and while representing the District. It is important that

volunteers use their best judgment in dressing appropriately. Business casual clothing is acceptable for our work environment.

These following items should help set the general parameters for proper business casual wear and allow you to make intelligent judgments about items that are not specifically addressed. This list is not intended to be all-inclusive.

It is important that all District volunteers understand that public safety is our number one priority and that every contact with the public should be utilized to create goodwill for the District. Good performance alone is not sufficient, it is important to create public support with excellent service and communication. The District maintains two-way communication with the public to create stronger public support and understanding. Be friendly, but stern when necessary.

1. Assume that anything you say in front of participants, parents/guardians, or staff will be repeated.
2. Conduct yourself in a professional manner when dealing with the public, participants, or staff.
3. Do not transport participants in your personal vehicle.

If a participant or parent/guardian asks a question which you cannot answer, inform them that you do not know the answer, redirect them to your volunteer coordinator.

If a parent/guardian or patron is irate or disruptive, refer them to your volunteer coordinator. Make sure to notify the volunteer coordinator who will need details to complete an Incident Report.

D. ATTENDANCE, PUNCTUALITY, AND TIME REPORTING

The District requires volunteers to report for volunteer hours punctually and remain for all scheduled hours. Volunteers are responsible to complete their time log (Appendix B each time they volunteer. Volunteers are prohibited from accessing social websites during their volunteer hours on their own devices or from District computers.

Social websites may not be used to disclose or discuss the District's confidential, sensitive, proprietary information, or reflect personal opinions as those of the District. The use of the District's trademarks, logos, and other copyrighted or identifying materials on volunteer websites is prohibited. If volunteers represent themselves as

volunteers of the District, the volunteers are expected to ensure the content posted on the sites complies with professional standards of conduct. In such situations, all other Board Members and District divisions should refer calls from the media to the General Manager's office.

An acceptable driving record shall be defined as a driving record with five (5) or fewer points assigned by the Department of Motor Vehicles. In addition, the volunteer will complete an Employer Pull Notice and Vehicle Use form. The District participates in a system that regularly checks the DMV records of all volunteers who drive as part of their job. The volunteer must be familiar with and comply with the CAPRI driving policies which will be

provided to any volunteer driving a District vehicle, as those may be revised from time to time. Such policies will be provided to any volunteer who is going to drive a District vehicle.

Any volunteer who does not maintain a valid, appropriate California driving license and an acceptable driving record, or who is uninsurable under the District's policy will no longer be eligible to operate District vehicles. Any change in a volunteer's driving license or insurance status must be reported immediately to their Volunteer Coordinator.

I. PARKING

Volunteers should park in the appropriate location depending on the assignment. The District is not responsible for any loss or damage to volunteer vehicles or contents while volunteering.

SECTION 6

VOLUNTEER GUIDELINES

A. BACKGROUND CHECK

All volunteers except those volunteering only for a single day's event will be required to submit to a criminal record reference check and must be fingerprinted and cleared prior to acceptance as a volunteer. Individuals who refuse to comply with this request will not be accepted as a volunteer.

B. MINORS AS VOLUNTEERS

Volunteers who have not yet attained the age of 18 years must have written consent of a parent or legal guardian before being assigned to any volunteer services. Students volunteering for service learning credit hours for their school must submit their school name and contact information before being assigned to any volunteer services.

C. CONFIDENTIAL INFORMATION

Volunteers are responsible for maintaining the confidentiality of all privileged information to which they are exposed while serving as a volunteer, whether this information involves a single staff person, volunteer, patron, other person, or involves overall District business. Confidential information may include: phone numbers, addresses, email addresses, and medical related information.

Our patrons entrust the District with important information relative to their personal lives. The nature of this relationship requires maintenance of confidentiality. In safeguarding the information received, the District earns the respect and further trust of our patrons.

Your volunteering with the District assumes an obligation to maintain confidentiality. As a volunteer, you may be privy to information that is confidential in nature. Such information is not to be shared with your family, friends, or acquaintances.

Any violation of confidentiality seriously affects the District's reputation and effectiveness. Therefore, please do not discuss District business with anyone who does not volunteer/work for us, and never discuss business transactions with anyone who does not have a direct association with the transaction. Even casual remarks can be misinterpreted and repeated, so develop the personal discipline necessary to maintain confidentiality. If you hear, see, or become aware of anyone else breaking this trust, consider what they might do with information they get from you.

If you are questioned by someone not affiliated with the District or your program and you are concerned about the appropriateness of giving them certain information,

remember that you are not required to answer. Instead, as politely as possible, refer them to the volunteer coordinator.

No communication made by a patron to you, or information about a patron from any source, is to be disclosed. No one is permitted to remove or make copies of any District records, reports, or documents without prior approval.

D. PARTICIPANT SAFETY

The safety of our participants is of the utmost importance to the Hesperia Recreation and Park District. Therefore, the following rules and regulations have been established:

- Only coaches/volunteers who have been through the District screening process may be in contact with children in Park District Programs.
- All activities and practices are to be rendered in a safe manner.
- It is against District procedures to transport children, therefore under no circumstances are children to be transported.
- Remember to always keep your eyes on the participants, even while talking to others. Keep parents or students in front of you so that you can always see the rest of the participants

E. SUSPECTED CHILD ABUSE

All District staff, including unpaid volunteers, are “Mandated Reporters.” Any suspected child abuse must be reported immediately or as soon as possible by telephone and must also be submitted in writing within thirty-six (36) hours after learning of the incident to local law enforcement or to Child Protective Services. As a mandated reporter, failure to report possible child abuse could result in your being charged with a misdemeanor. (Pen. Code § 11172, subd. (e).)

Detailed online trainings are available regarding your role as a mandated reporter. If you would like to participate in this online course or have any questions regarding this procedure, please seek clarification from the volunteer coordinator.

The following procedures should be followed:

- Contact local law enforcement at 760-947-1500 or Child Protective Services immediately by telephone at 1-800-827-8724.
- Fill out a suspected child abuse report (available from your immediate Volunteer Coordinator) within thirty-six (36) hours.
- Send completed Child Protective Services Report to the volunteer coordinated and indicate who was contacted to report the suspected abuse.

DEFINITIONS OF CHILD ABUSE

There are four types of child abuse. They are defined as:

Physical: An injury or pattern of injuries that happen to a child that is not accidental. These injuries may include beatings, burns, bruises, bites, welts, strangulation, broken bones, or death.

Neglect: Neglect occurs when adults responsible for the wellbeing of a child fail to provide for the child. Neglect may include not giving food, clothing, shelter, failure to keep children clean, lack of supervision, and withholding medical care.

Emotional: Any chronic and persistent act by an adult endangering the mental health or emotional development of a child including rejection, ignoring, terrorizing, corrupting, constant criticism, mean remarks, insults, and giving little or no love, guidance and support.

Sexual: The sexual use of a child for an adult's pleasure.

Non-Physical: Indecent exposure, obscene phone calls, or peeping toms.

Physical: Long and intimate kissing, genital or oral stimulation, fondling, or sexual intercourse.

Violence: Forcible rape, beatings, or other physical abuse.

Pornography: Forcing children to view pornography or using children in pictures, films, or tape recordings.

F. EMERGENCY/DISASTER

The following guidelines will help control emergency/disaster situations. It is necessary to be able to recognize a major or minor injury in order to determine what to do in an emergency/disaster situation. Examples of major injuries are: broken bones, sprains, lacerations, uncontrollable bleeding, shock, unconsciousness, and poisoning. Examples of minor injuries are: scrapes, abrasions, and bruises.

- In event of an emergency, call 911 (9-911 if using a District phone) and state the site location, or wherever the victim or disaster is located.
- In the event of an emergency/disaster, all program participants will remain at the site until they are picked up by an authorized person.
- In the event of an emergency, accident, or incident, volunteers must not make statements to the media or public. Volunteers are directed to refer all questions to the volunteer coordinator or available District Volunteer Coordinator.

- Contact your immediate Volunteer Coordinator. If unable to do so, leave a detailed message, so that the Volunteer coordinator can complete an Incident Report.

FIRST AID

Volunteers are responsible for the welfare of our participants. Volunteers should be able to recognize serious injuries or illnesses that require immediate first aid and medical attention.

WHAT TO DO:

- KEEP CALM.
- Assess the situation. Check surroundings for any hazards or safety issues.
- If the injuries are life threatening, call 911 (9-911 if using a District phone). If the injury is not life threatening, call the participant's parent/guardian and allow him/her to make the decision as to transport and care. If you cannot contact the parent/guardian, wait for the arrival of the emergency medical personnel.
- Volunteers who are trained and currently certified in first aid and wish to provide care should protect themselves; make sure to put on personal protective equipment before cleaning wounds or applying bandages.
- Reassure the injured participant and keep other participants out of the immediate area.
- Stay with the participant until assistance arrives.
- If transport is needed, provide the participant's emergency information upon the arrival of emergency personnel. Make sure to write down the emergency personnel's name, vehicle number, and the hospital to which the participant will be taken.
- Notify your volunteer coordinator as soon as is practical and provide them with enough detail so they can complete and an Incident Report. Do your best to get contact information for injured and any witnesses as this information will be needed for the Incident Report.

As mentioned above, if the injury or illness of the participant is beyond the extent of your abilities, then contact the parent/guardian or emergency personnel to administer treatment.

G. INCIDENT REPORTS

Volunteers are responsible for reporting to their volunteer coordinator all action which was taken is documented. Volunteers should report serious misconduct, thefts, fights, police matters, any suspected injuries, or any incident that is out of the ordinary so that an Incident Report can be completed by the volunteer coordinator. Volunteer coordinators are required to submit all Incident Reports to the District Office within 24 hours of the incident.

H. VOLUNTEER POSITION DESCRIPTIONS

The District maintains a description for each volunteer position in Hesperia Recreation and Park District. Applicable descriptions may be provided to volunteers during the application process.

I. TIPS FOR WORKING WITH PARTICIPANTS

- Always be polite and patient with the public. Do not lose your cool. You can enforce the rules without offending anyone. If a parent/guardian or patron becomes irate, direct them to the volunteer coordinator, but do it politely and with a smile.
- Remember, we offer recreational programs. Participants should enjoy their experience at District programs/events.
- Keep parents informed of all activities and problems.
- Keep the line of communication open. Discuss any problems, concerns, or ideas with the volunteer coordinator.

J. TIPS FOR DEALING WITH PARENTS

- Learn parents' names.
- Seek them before they seek you.
- Listen before you speak. Let them have their say.
- Never lose your "cool".
- Answer all questions calmly and thoroughly. Take a deep breath, analyze the problem, and offer a solution.
- Do not reprimand; educate.
- Deal with parents one-on-one, not in front of bystanders or their child/children.
- If you do not know, do not fake it.
- Do not allow one parent to monopolize all of your time. Doing this draws your attention away from the participants.
- Direct seriously irate parents to the volunteer coordinator or the available District Volunteer Coordinator.
- If you give respect, you are more likely to get respect.
- Establish eye contact and smile at parents when they enter the room, even if you are too busy to talk to them.
- Make positive statements about each child.

K. INTERACTION BASICS

VOLUNTEER/CHILD

The way YOU relate to the child participants is at the heart of our programs.

- Show RESPECT for the dignity of the children in all your dealings with them. Never talk about a child in front of him/her or in front of other children. Demand in return that the children show respect for YOU.
- Address the children by NAME.
- Speak to children AT THEIR LEVEL.
- Talk with the children during routine activities; GREET them enthusiastically when they arrive.
- Speak to individual children OFTEN.
- Speak QUIETLY when you're with a group inside. Walk over to a child if you want to talk to him instead of calling out across a room. Avoid YELLING.
- Whistles are permitted; however, they are never to be used indoors.
- Encourage the children to do for themselves everything they can.
- Tell children CLEARLY what you expect. Don't ask a question when you really mean to be giving a direction. Example, "It's time for everyone to put their things away so we can get ready for the field trip now." Not, "Do you want to clean up your things now?"
- SHOW the children by your own behavior how you expect them to behave. For example, don't interrupt children if you expect them not to interrupt you when you're talking to someone.
- PAY ATTENTION TO POSITIVE BEHAVIOR. Recognize pro-social behaviors such as cooperation, helping, and sharing with a smile or a comment.
- Give the participants equal opportunities for activities.

L. ADDITIONAL RULES AND REGULATIONS

- Promptly enforce all District rules using fairness and understanding.
- Never make physical contact with a child unless it is to protect them from harm.
- If at all possible, a volunteer should **never** be alone with one child. If you must be alone with a child, leave the door open or wait outside for the parent/guardian to pick up the child.

M. UNACCEPTABLE ACTIVITIES

The District expects all volunteers to act in a mature and responsible way at all times. If you have any questions concerning any volunteer or safety rule, or any of the unacceptable activities listed, please see the volunteer coordinator for an explanation.

All volunteers are expected to abide by the Hesperia Recreation and Park District's Code of Conduct (Appendix C).

Because of their seriousness, the following are examples which will lead to termination of volunteer status and an inability to be accepted as a volunteer at the District in the future.

- Willful violation of any District rule; any deliberate action that is obviously detrimental to the District.
- Willful violation of security or safety rules or failure to observe safety rules or District safety practices, failure to wear required safety equipment, or tampering with the District's equipment or safety equipment.
- Negligence or any careless action which endangers the life or safety of another person.
- Being intoxicated or under the influence of a controlled substance while volunteering; use, possession, or sale of a controlled substance in any quantity while on District premises, except medications prescribed by a physician which do not impair volunteer performance.
- Possession of firearms, weapons, or explosives on District property or while on duty.
- Engaging in criminal conduct or acts of violence, or making threats of violence (including ones made in apparent jest) toward anyone on District premises or while representing the District; fighting, horseplay, or provoking a fight on District property, or negligent damage of property.
- Insubordination or refusing to obey instructions properly issued by the volunteer coordinator or a District Volunteer Coordinator.
- Threatening, intimidating, or coercing fellow volunteers on or off the premises at any time, for any purpose.
- Theft of District property or the property of fellow volunteers; unauthorized possession or removal of any District property, including documents, from the premises without prior permission from management; unauthorized use of District equipment or property for personal reasons; use of District equipment for profit.
- Dishonesty; willful falsification or misrepresentation on your application for volunteering or other volunteer records; alteration of District records or other District documents.
- Breach of confidentiality of personal information. Malicious gossip and/or spreading rumors; engaging in behavior designed to create discord and lack of harmony; interfering with another volunteer on the job; willfully restricting volunteer output or encouraging others to do the same.

N. HOME ADDRESS AND PHONE NUMBER CHANGES

Volunteers should notify their point of contact/Volunteer Coordinator immediately if their home address, phone number, or email address changes during the time of service.

O. RESIGNATION

If you anticipate you may have to stop volunteering, please notify the volunteer coordinator in writing as far in advance as possible.

Thank you for your time, support, and willingness to Make Life Better!
