DISCUSSION/ACTION ITEMS

D. Action Item: Appointment of the Policy Review Committee

Background: At the February 28, 2024, meeting, the Board passed Resolution No. 24-02-02 approving the creation of the Policy Review Committee. The Board now needs to appoint the Committee members.

Recommendation: Appoint two Board members to sit on the Policy Review Committee.

E. Action Item: Approval of Hesperia Community Park Cell Tower Location

Background: Aries Advisors has asked that we choose a location for a potential AT&T cell tower at Hesperia Community Park. The Development Review Committee reviewed the map at the December 11, 2023, Committee meeting. A map is included in your tab for the Board to review.

Recommendation: Direction of the Board.

H. Action Item: Proposed Disc Golf Course at Hesperia Lake Park

Background: This item was placed on the Agenda at the recommendation of the Recreation Committee. Staff has long proposed the installation of a disc golf course in the District, especially at Hesperia Lake Park, as its layout and size are well suited. Disc golf is a popular game in all seasons, is low impact on its surroundings, has low installation and maintenance costs, and is affordable for the players, especially compared to the traditional game of golf. Otherwise known as “Frolf,” or “frisbee golf,” it encourages the community to go outside, be active, and even socialize.

The Professional Disc Golf Association maintains a map of disc golf courses worldwide, (<https://www.pdga.com/course-directory>). Once established, a disc golf course in Hesperia would put us on that map, attracting players from both our community and areas near and far, as our fishing lake already does. Hesperia Lake Park will continue to grow as the gem of the desert.

Staff has provided a memo in your tab with further details about the game of disc golf and associated costs.

Recommendation: Provide staff with direction on the installation of a disc golf course.

Reference Materials Included In Tab: ☒ YES ☐ NO

1. Staff Memo: Disc Golf Course at Hesperia Lake Park

I. Discussion/Action Item: Board of Directors Approval of Hiring and Transferring v. Current Policy for General Manager Hiring and Transferring

Background: This item was brought back from the February 28, 2024, meeting at the request of the Board. Staff will defer introduction of the item to the Board.

Recommendation: If the Board chooses to amend the Policy/Employee Handbook, please provide staff with direction on any suggested amendments. This will allow staff to create a redline version with added amendments to be brought to the Board for approval at a future meeting.

Reference Materials Included In Tab: ☐ YES ☒ NO

J. Discussion Item: Power Play Center Rental Room Revenue

Background: This item was placed on the Agenda at the request of the Board. Staff will defer introduction of the item to the Board.

**HESPERIA RECREATION AND PARK DISTRICT
INTER-OFFICE MEMO**

DATE: February 6, 2024

PHONE: (760) 244-5488

FROM: ~~SARAH~~ SARAH HAUSER, RECREATION MANAGER
Hesperia Recreation and Park District

TO: KYLE WOOLLEY, GENERAL MANAGER
Hesperia Recreation and Park District

SUBJECT: DISC GOLF COURSE AT HESPERIA LAKE PARK

At the recommendation of the Recreation Committee meeting, this memo serves as an introduction to Disc Golf and the estimated costs to construct a course at Hesperia Lake Park, 7500 Arrowhead Lake Road, Hesperia.

What is Disc Golf? Disc Golf is remarkably like golf except, instead of a ball and clubs, players use flying discs. The object of the game is to complete each hole with the fewest throws. This sport is a family friendly, healthy recreational activity. It is also inexpensive as at most parks (to include the Lake) it is free to play and the cost of discs start as low as \$10.99 and unlike golf, you can play with one disc instead of a bag of clubs. Few recreational activities have the benefit of low capital and maintenance costs, has minimal liability issues, is as environmentally sound, and played year-round in all climates.

A full scale 18-hole course ranges from 20-25 acres (about one acre per hole). A significant advantage for disc golf is its ability to utilize land areas that are not very desirable or usable for other activities. Also, the portability of the course (baskets/signs) allows park departments to inexpensively relocate the course or holes to another site as community needs dictate.

Estimated cost:

- 18 baskets (targets/holes) - \$8,378.46
- Signs - \$1,500.00
- Installation - \$2,000.00
- Miscellaneous (advertising/maps/trashcans) - \$2,000.00
 - The estimated cost does not include staff time
- **Total estimated cost - \$13,878.46**

Dear Board Presidents:

The Victor Valley Bicycle Tour (VVBT) is preparing to launch its 9th Annual cycling event to be held **Saturday, October 26, 2024.**

Your donation of \$1,500 or any other level you deem appropriate, will provide your agency with prominent recognition on all event material. I've attached a Sponsorship Flyer for your review. Additionally, VVBT legally operates under a 501(c)(3)81-4005129.

Hesperia Opens New Dog Park & Announces Future Plans for Opening Another

By Leandra Moreno-Prince

February 18, 2024 10:35 am

Hesperia Parks and Recreation held a grand opening celebration for their new Timberlane Dog Park on Friday, January 19th. The dog park is located inside Timberlane Park at 9480 Timberlane Ave in Hesperia and offers an enclosed grassy area that's fenced off for either large dogs (25 lbs. and over) or small dogs (under 25 lbs).

The ribbon-cutting celebration brought out dog lovers from around the community. Local Phelan dog trainer Sean Lunnon of A Breed Apart Dog Training was at the event to demonstrate how to teach your dog proper park etiquette. Local pet store, Kahoots Feed & Pet, was also there to hand out dog toys and treats, while the Hesperia park employees supplied treats for the humans with delicious cookies.

The Timberlane Park also offers baseball fields, picnic areas, a playground, and soon a brand new skate park. Hesperia Parks and Rec will be hard at work expanding their park offerings to

uphold their mission of “Connecting Community through Recreation and Wellness.”

Another dog park is in the works and will be constructed at the Rick Novack Community Center and Palm Street Park at 13558 Palm Street in Hesperia. Hesperia Parks are open daily from dusk to dawn. To learn more about their parks and facilities, visit www.hesperiaparks.com

NEW

By far the best park in hesperia. Everyone should come here. It's so beautiful! You can fish, have a beer, there's a playground, soccer fields, walking, and they even have ice cream and duck food available at the little shop. I recommend you get yourself, your family and friends out here.

NEW

Highly recommend!

Mini Karate: fun, good instructor.

Hip Hop Dance: Awesome. We used to go to a dance studio on "I" Street but this dance class is more fun. Music is better, attire is age appropriate, parents can watch. Teacher is kind. Learned new difficult dance moves on the 1st day that weren't taught at the other dance studio. Very pleased.
